Advances in Craniomaxillofacial Surgery: Mastery of Treatment and Fixation Techniques

For chief residents and fellows
August 18-19, 2017 | Downers Grove, Illinois

Faculty

Course Director

Bernard J. Costello III, DMD, MD
Pittsburgh, Pennsylvania
Chief, Pediatric Oral and Maxillofacial Surgery
Children’s Hospital of Pittsburgh
Professor and Fellowship Program Director, Department of Oral and Maxillofacial Surgery
University of Pittsburgh Medical Center

Keith E. Blackwell, MD
Los Angeles, California
Professor, Department of Head and Neck Surgery
Fellowship Co-Director, Facial Plastic and Reconstructive Surgery
David Geffen School of Medicine at University of California, Los Angeles

Sean P. Edwards, BSc, DDS, MD, FRCD(C), FACS
Ann Arbor, Michigan
Clinical Associate Professor
Chief, Pediatric Craniofacial Surgery
C.S. Mott Children’s Hospital
Residency Program Director
Section of Oral and Maxillofacial Surgery
University of Michigan Medical Center

Joseph S. Gruss, MD
Seattle, Washington
Craniofacial and Plastic Surgery
Seattle Children’s Hospital
Harborview Medical Center
Maryls C. Larson Endowed Chair
Pediatric Craniofacial Surgery
University of Washington School of Medicine

Mark W. Ochs, DMD, MD
Pittsburgh, Pennsylvania
Professor and Chair
Department of Oral and Maxillofacial Surgery
University of Pittsburgh School of Dental Medicine
Adjunct Professor, Otolaryngology-Head and Neck Surgery
Associate Dean Hospital Affairs
University of Pittsburgh Medical Center

Myron R. Tucker, DDS
Charleston, South Carolina
Adjunct Clinical Professor
Department of Oral and Maxillofacial Surgery
Louisiana State University Medical Center
Course registration

Application site opens: Wednesday, June 28th at Noon EST
Apply online at: https://www.cvent.com/d/mfpey4y/3B

You will be notified via email when your application is received. A communication regarding registration status will be sent within two business days with further instructions.

Lab facility and accommodations

Accommodations will be arranged on participant’s behalf. Please do not make separate reservations.

Acknowledgments:

Stryker is committed to the ethical collaboration and interaction with Healthcare Professionals. Under the Open Payments Act, also known as the Sunshine Act, Stryker is required to report payments or transfers of value for expenses associated with this event, including travel, lodging and meals.

ADA Statement:

Stryker will be glad to assist you with any special needs (i.e., dietary, etc.).

Advamed Code of Ethics Statement:

In compliance with the Advamed Code of Ethics, we cannot accommodate spouses/guests at the program.

This program is sponsored by Stryker as training and education on Stryker Products pursuant to Section III of the Advamed Code of Ethics on interactions with Healthcare Professionals. Products will include: Universal Trauma System, Universal Mandible System, Craniomaxillofacial Instrumentation, Hybrid MFF, MEDPOR implants, and SONOPET.

A surgeon must always rely on his or her own professional clinical judgment when deciding whether to use a particular product when treating a particular patient. Stryker does not dispense medical advice and recommends that surgeons be trained in the use of any particular product before using it in surgery.

The information presented is intended to demonstrate the breadth of Stryker product offerings. A surgeon must always refer to the package insert, product label and/or instructions for use before using any Stryker product. Products may not be available in all markets because product availability is subject to the regulatory and/or medical practices in individual markets. Please contact your Stryker representative if you have questions about the availability of Stryker products in your area. Stryker Corporation or its divisions or other corporate affiliated entities own, use or have applied for the following trademarks or service marks: MEDPOR, SMARTLock, SONOPET and Stryker. All other trademarks are trademarks of their respective owners or holders.
